"House Of Praise"

It's all over the floor
It's all up in the walls
It's fallin' from the ceiling
Down upon us all
He's comin' to anoint
He's comin' to amaze
Comin' now to let us know
That we are in the House of Praise
Praise, Praise
We are in the House of Praise,
Praise, Praise, Praise
But that's not all
There's more inside
We've got more praise to give
Starting with the number 5, 4, 3, 2
For the victory He's "one"
