I've been redeemed (echo)
By the blood of the Lamb (echo)
I've been redeemed (echo)
By the blood of the Lamb (echo)
I've been redeemed
By the blood of the Lamb
Saved and sanctified I am
All my sins are washed away
I've been redeemed

You can talk about me (echo)
All that you please (echo)
You can talk about me (echo)
All that you please (echo)

You can talk about me
All that you please
I'll talk about you
When I'm on my knees
All my sins are washed away
I've been redeemed

And that's not all (echo)
There's more besides (echo)
And that's not all (echo)
There's more besides (echo)

And that's not all
There's more besides
I've been to the river
And I've been baptized
All my sins are washed away
I've been redeemed

All my sins are washed away
I've been redeemed

I love Jesus (echo)
Yes I do (echo)
I love Jesus (echo)
How about you (echo)

I love Jesus yes I do
I love Jesus how about you

Listen up now
The bottom line the way to win
Is up with Jesus down with sin
The word is clear
Easy to see
Only Christ can set you free

Christ can set you free

I love Jesus yes I do

I love Jesus
You love Jesus
We Love Jesus
