They thought that He would be gone forever  
They thought that He would be gone for sure  
They thought that He would be gone forever  
And would not come back anymore

They put Him deep in the grave and left Him  
They put Him deep in the grave and went  
They put Him deep in the grave and left Him  
And never thought they would see Him again  
Never would see Him again

Then just like He said  
He would rise from the dead  
He's alive in glory forever  
Just like He said  
He would rise from the dead  
He's alive in glory forever  
Yeah, yeah, yeah, I believe it  
Yeah, yeah, yeah, it's true  
Yeah, yeah, yeah, I believe it

Just like He said He would do  
He would do  
Just like He said He would do

No one believed He would be returning  
No one believed, didn't want to know  
No one believed He would be returning  
How could this ever be so

But then one day all the angels shouted  
But then one day all across the sky  
But then one day all the angels shouted  
He who was dead in the grave is alive  
He who was dead is alive

Christ said, "Prepare yourself to be amazed"  
Destroy this temple and I  
Will raise it in only three days"

He has risen  
Christ has risen

And He's alive evermore
