All up in the hood, you might see
locas looking good or crazy
find them at the car show, or on the street
or there favorite hang out - the swap meet
damn don't be a hater - its all good smile now cry later
never mess with a chick, with lip liner no lip stick
wanna look good I'll tell you how
first gotta paint on you're eyebrows
spray you're hair with Aqua Net
get a tattoo to rep your set
sport Van David's and some Dickies
and you're neck covered in hickies
need a gallon of mascara
and get pregnant in you're quinceanera

lean like a chola way up high
thick eye liner in my eye
cruise all day, drink all night
got four kids with three guys
lean like a chola

lean like a chola way up high
thick eye liner in my eye
cruise all day, drink all night
got four kids with three guys
lean like a chola

Speak Spanish when they speak
"y que foo!" don't look at me
say "you member" and "whatevers"
my mans been locked up forevers
when he gets out he'll be mad
that his boy's my baby's dad
listen to the oldies like the Chi-Lights
got a blade in my hair when I fight
got home girls Fea, Mosca, & Shy girl,
Dreamer, Drifter, Tiny & Fly girl,
Creeky, Whisper, & La Guera,
China, Tortuga, Morena,
Angel, Sad girl, Lady Joker,
Lil Puppet, Silent, Smoker
got a problem - callate la boca

you don't wanna mess with some gangsta ass locas

lean like a chola way up high
thick eye liner in my eye
cruise all day, drink all night
got four kids with three guys
lean like a chola

lean like a chola way up high
thick eye liner in my eye
cruise all day, drink all night
got four kids with three guys
lean like a chola
