Nothing is impossible  
Nothing's out of reach  
All good things will come to those  
Who faithfully believe

When you see a mountain  
Standing in your way  
Known that it will move for you  
If only you will pray

'Cause prayer can move a mountain  
Prayer can stop the doubt  
And prayer can calm the raging heart of unbelief  
For I know when I go on my knees  
God will move for me  
And prove what He can do  
Through prayer

Somewhere there's a miracle  
Waiting 'round the bend  
How He's blessed you in the past

He'll do it once again

You're not forgotten  
Or been turned away  
The Lord's about to move for you  
If only you will pray

I know that He won't leave me all alone  
The Lord has kept me safe till now  
He'll show me when  
He'll show me how  
And I know that I can't make it on my own  
But with the power of God in me  
There's nothing great that I can't be  
No mountain high, no valley low  
Will change my mind 'cause this I know

Move, move, right now  
Holy Spirit...
