Jesus Christ is Lord
And God's still on the throne
There's power in the blood
And I'm saved to the bone
If the devil comes against me
He's gonna feel some pain
Cause I can bind him,
Bruise him, cast him out
By the power of Jesus name

CHORUS

No longer on the outside
On the inside I now stand
I'm sold out the whole route
Completely born again
I believe on the third day
Jesus rose from the grave
The world thinks I'm crazy
But I'm just radically saved

(repeat Chorus)

Choose you this day
Tell me who do you serve
Now's the time to stand up
And let your voice be heard
You gotta come out from among the rest
You gotta tell the gospel tale
You tell them black is black
And white is white
And hell is hot
And sin ain't right
And God is holy
And Christ is coming
And righteousness will prevail

I tell it to you once
I tell it to you twice
The only thing that's gonna change this world
Is the gospel of Jesus Christ
Wimpy saints won't survive
In spiritual warfare
If you know that Jesus is the only way

Let me hear somebody say yeah

CHORUS

No longer on the outside
On the inside I now stand
Do you know what it's like to be
I'm sold out the whole route, anybody here born again
I believe on the third day
Jesus rose from the grave
The world thinks we're crazy
Our friends think we're crazy
Our family thinks we're crazy
But we are just what?
We're just radically saved
