Above the noise, I hear the voice
Of God givin' the choice for me to say
I do believe and will receive
Within the heart of me the seed of faith

He does accept a baby step
As long as I have kept His word inside
But Jesus knows that I must grow
And tells me I must go ahead and try
Well, all right, okay, I guess it's up, up and away

I'm takin' a step, takin' a step of faith
Walkin' out on the promises God made
Takin' a giant leap in the air

Steppin' out on nothin' and findin' somethin' there
Tellin' the doubt to wait, wait, wait, wait
I'm takin' a step of faith

It turns me out to think I'd doubt
Someone with so much clout from up above
And yet I see the way that He
Can work with me and do it all in love

The past is gone, the future's long
And I need someone strong to help me through
I'm ready now to take the vow
And see just what the power of God can do
Well, all right, okay, I guess it's up, up and away

I'm takin' a step, takin' a step of faith
Walkin' out on the promises God made
Takin' a giant leap in the air

Steppin' out on nothin' and findin' somethin' there
Tellin' the doubt to wait, wait, wait, wait
I'm takin' a step of faith

Take that step now
Keep goin', the left, the right, heel, toe, heel toe
Well, all right, okay, I guess I'll ride this horse away

I'm takin' a step, takin' a step of faith
Walkin' out on the promises God made
Takin' a giant leap in the air
Steppin' out on nothin' and findin' somethin' there

Tellin' the doubt to wait, I'm takin' a step of faith
Step of faith, step of faith
Living for the Lord, trusting in His care
Steppin' out on nothin' and findin' somethin' there

Walking with the Lord, stepping in the light
Living by faith and not by sight
