Listen up now ya'll, I'm gonna try and reach ya
Class is now in session, pay attention to the teacher
We're goin' through the Book, Genesis to Revelation
I'll teach your head how to spread salvation to the
nation

We'll start with the basics, a checklist for the saints
Love the Lord with all your heart and mind and soul
and strength
To fear the Lord is wisdom, to serve the Lord divine
To really break it down just repeat these words of mine

CHORUS

I love Jesus (ECHO)
Yes I do (ECHO)
I love Jesus (ECHO)
How 'bout you? (ECHO)
I love Jesus, yes I do, I love Jesus HOW 'BOUT YOU

Grab your pen and paper, the lesson now beings
First up Church artillery 'cause we got war with sin
God trains us through evangelists, apostles, prophets
too
Pastors, teachers, five in all 'cause we got work to do
Discernment, tongues, interpretation, prophecy, and
faith
Wisdom, knowledge, healing, miracles, yeah these are
great
These gifts are like atomic bombs, they make the Word
explode
But they just don't mean nothin' unless you know the
code
That code is...

(CHORUS)

The bottom line, the way to win
Is up with Jesus, down with sin
The Word is clear, easy to see
Only Christ can set you free

Hide the Word in your heart

When you grow you won't depart
Grind the Devil to the ground
Sunday School is throwing down!

(CHORUS)

I love Jesus Yes I do
I love Jesus (ECHO)
You love Jesus (ECHO)
We love Jesus (ECHO)
How (ECHO) Bout (ECHO) YOU!
I LOVE JESUS YES I DO!!!
