I woke up Monday morning  
With my head all full of nothin'  
I went down to McDonald's  
To get me an Egg McMuffin

Still asleep yet wide awake  
Around seven twenty - three,  
When this loudmouth pushy businessman  
Cut in front of me

My eyes went cold, i clinched my fist,  
I wanted to thump him good,  
But then the spirit stopped me  
When I saw how it stood

The Holy Ghost reminded me  
I represent the Lord,  
And it would be hard to witness to him  
Stretched out on the floor

CHORUS:  
Some people say "let it out"  
Some people say "hold it in"  
But Jesus says to crucify it  
For that thing there is sin,  
And I was fighting with temptation  
I was dueling with that thing  
Bondage and struggle  
Is all that it will bring  
Well, what's a soul to do  
When its face to face with sin?  
He oughta pray not once but twice  
Put on the Mind of Christ  
And get that sweet ol' victory again

Well, I grabbed my superman beach towel  
QT Tanning lotion  
I thought I'd take a cruise  
And catch some rays down by the ocean

I had it all planned out  
To roast some burgers and some weenies

But, when I arrived everything but the telephone poles  
Was dressed up in bikinis

I knew that there must be a way to please the Lord and  
still get tan  
But I felt so stupid with my big ol' head stuck in the  
sand

CHORUS

You gotta pray for that victory again
