I'm gonna get all my friends together
Gather around ya'll
Listen to what I have to say
I've been rejuvenated, reborn and consecrated
I declare I've never felt this way
Hmm, I gotta tell somebody
Can't hold it inside no more
The gift of eternal life is free
Jesus is the door

Cause I've been washed in the blood
Washed in the blood
Washed in the blood of the Lamb
All my sins have been forgiven
And I am just now starting to live
And I've been washed in the blood of the Lamb
Well I've been washed in the blood
Washed in the blood
Washed in the blood of the Lamb
All my sins have been forgiven
And I'm on my way to heaven
I've been washed in the blood of the Lamb

2000 years ago
Jesus died on the cross
For all the sins of fallen man
Because without the shedding of his blood
There is no remission for our sins
Don't let that evil confine you
You need to be set free
From those sins that would bind you
Listen here to me
Take a tip from me

I've been washed in the blood
Washed in the blood
Washed in the blood of the Lamb
All my sins have been forgiven
And I am just now starting to live
Hey, I've been washed in the blood of the Lamb
Well I've been washed in the blood
Washed in the blood

Washed in the blood of the Lamb
All my sins have been forgiven
And I'm on my way to heaven
I've been washed in the blood of the Lamb
