Verse 1: George Washington, Thomas Jefferson, First Chief Justice John Jay. Names synonymous with the spirit of our country, founding fathers of the U.S.A. Over 200 years ago they shook off the chains of tyranny from Great Britain, by divine call. Citing 27 biblical violations, they wrote the Declaration of Independence, with liberty, and justice, for all. But something happened since Jefferson called the Bible the cornerstone for American liberty, then put it in our schools as a light. Or since 'Give me liberty or give me death!' Patrick Henry said, our country was founded on the Gospel of Jesus Christ. We eliminated God from the equation of American life, thus eliminating the reason this Nation first began. From beyond the grave I hear the voices of our founding fathers plead, you need God in America, again. Of the 55 men who formed the Constitution, 52 were active members of their church. Founding fathers like Noah Webster, who wrote the first dictionary, could literally quote the Bible, chapter and verse. James Madison said, 'We've staked our future on our ability to follow the 10 Commandments, with all our heart.' These men believed you couldn't even call yourself an American, if you subvert the Word of God. In his farewell address, Washington said, 'You can't have national morality apart from Religious principal,' and it's true. Cause right now we have nearly a hundred and fifty thousand kids carrying guns to these warzones we call public schools. In the 40s and 50s student problems were chewing gum and talking, in the 90s, rape and murder are the trend. The only way this nation can even hope to last this decade, is put God in America, again!

Chorus: The only hope, for America, is Jesus. The only hope, for our country, is Him. If we repent, of our ways, stand firm and say, 'We need God in America, again.'

Verse 2: Abe Lincoln said, 'The philosophy of the schoolroom in one generation, will be the philosophy of government in the next.' So when you eliminate the Word of God from the classroom and politics, you eliminate the nation that Word protects. America is now number one in teen pregnancy and violent crime, number one in illiteracy, drug use, and divorce. Everyday a new holocaust of 5,000 unborn die, while pornography floods our streets like open sewers. America's dead and dying hand is on the threshold of the Church, while the spirit of Sodom and Gomorrah vex us all. When it gets to teh point when peoplle would rather come out of the closet than clean it, it's the sign the Judgement of God is gonna fall. If there's ever been a time to rise up Church it's now, and as the blood-bought saints of the living God proclaim. That it's time to sound the alarm from the Church House, to the White House and say, 'We want God, in America, again!' (We need God in America, God in America again). I believe it's time America to stand up and proclaim, that 'One Nation Under God' is our demand! And send this evil lifestyle back to Satan where it came from, and let the Word of God revive our dying land! For Jesus Christ is coming back again in all His glory, and every eye shall see Him on that day. That's why a new anointing of God's power's comin on us, to boldly tell the World 'You must be saved!' Because astrology won't save you, your horoscope won't save you, the Bible says these

things are all a farce. If you're born again you don't need to look to the stars for your answers, cause you can look to the very One who made those stars. History tells us time and time again, to live like there's no God makes you a fool. If you wanna see kids live right, stop handing out condoms, and start handing out the

Word of God in schools!

(Chorus 2X)

We need God, in America
(We need) God in America
We need God, in America again
America again
