Joseph

I dreamed that in the fields one day,  
The corn gave me sign  
Your eleven sheaves of corn  
All turned and bowed to mine  
I dreamed I saw eleven stars,  
The sun the moon and sky  
Bowing down before my star,  
And now I realise why  
How do I know where you came from?  
You could be spies  
Telling me that you are hungry -  
That could be lies  
How do I know who you are?  
Why do you think I should help you?  
Would you help me?  
Why on earth should I believe you?  
I've no guarantee

Narrator & Brothers

Grovel, grovel, cringe, bow, stoop, fall  
Worship, worship, beg, kneel, sponge, crawl  
Brothers

We are just eleven brothers,  
Good men and true  
Though we know we count for nothing  
When up next to you  
Honesty's are middle name  
Life is slowly ebbing from us,  
Hope's almost gone  
It's getting very hard to see us  
From sideways on  
Narrator & Brothers

Grovel, grovel, cringe, bow, stoop, fall  
Worship, worship, beg, kneel, sponge, crawl  
Joseph

I rather like the way you're talking,

Astute and sincere  
Suddenly your tragic story  
It gets me right here  
Brothers

This is what we hoped he'd say  
Jospeh

All this tugging at my heartstrings  
Seems quite justified  
I shall give you what you came for  
And lots more beside  
Narrator & Brothers

Grovel, grovel, cringe, bow, stoop, fall  
Worship, worship, beg, kneel, sponge, crawl  
Brothers

Thank you, thank you, cringe, bow, stoop, fall  
Worship, worship, beg, kneel, sponge, crawl  
Narrator

Joseph handed them sackloads of food  
And they grovelled with base gratitude  
Female Ensemble

Then, unseen, Joseph out around the back  
And planted a cup in young Benjamin's sack  
Narrator

When the brothers were ready to go  
Jospeh turned to them all  
With a terrible stare and said  
Joseph
