NARRATOR:

Some folks dream of the wonders they'll do Before  
their time on this planet is through Some just don't  
have anything planned They hide their hopes and their  
heads in the sand Now I don't say who is wrong, who is  
right But if by chance you are here for the night Then  
all I need is an hour or two To tell the tale of a dreamer  
like you

We all dream a lot -- some are lucky, some are not But  
if you think it, want it, dream it, then it's real You are  
what you feel

But all that I say can be told another way In the story of  
a boy whose dreams came true And he could be you
