You live in a darkness
Made out of your fear
Looking to the future
Never are you here

You are not a person
Nor are you what you see
Beyond this world you live in
Beyond your memory

To find out what you really are
You must wake up from this long night
Repeat the words I Am
Repeat the words I Am
Repeat the words I Am
Repeat the words I Am

Your world is in danger
But your world isn't real
You see what is imagined
Dreaming what you feel

To find out what you really are
You must wake up from this long night
Repeat the words I Am

Repeat the words I Am
Repeat the words I Am
Repeat the words I Am
Repeat the words I Am
Repeat the words I Am
Repeat the words I Am
Repeat the words I Am
I Am, I Am, I Am
You are beyond the stone in the stars
you are the ever present light.
Repeat the words I Am
Repeat the words I Am
Repeat the words I Am
Repeat the words I Am
Repeat the words I Am
Repeat the words I Am

Repeat the words I Am
Repeat the words I Am
I Am, I Am, I Am
