Give me back oblivion
Take away my need
Someone's always chasing me
Underneath the trees

Look over your shoulder
Look over your shoulder

Everything around me now
Everything I see
Couldn't get much further from
Where I wanna be

Look over your shoulder
Look over your shoulder

And I can't feel a thing
And I can't feel a thing

And I can't feel a thing
And I can't feel a thing

Look over your shoulder
Look over your shoulder

And I can't feel a thing
And I can't feel a thing
And I can't feel a thing
And I can't feel a thing
Can't feel a thing
And I can't feel a thing
