If I show you who I am  
Would you stay?  
It's not hard to understand  
Why you went away

Reaching out for love  
To feel a hide out in your heart  
And steal a graceful hand to hold  
And help me to regain control  
Real as any rain

Must there always be a prayer  
To buy or sell  
Pretending you were never there  
As you crawl out of yourself

Reaching out for love  
To feel a hide out in your heart  
And steal a graceful hand to hold  
And help me to regain control  
Real as any rain

I watched you come  
And I watched you turn away  
With seagulls flying all along the shore  
Asking you to stay

Something is always gonna come  
Between me and you  
Both of us know how to run  
More then fallow thru

Reaching out for love  
To feel a hide out in your heart  
And steal a graceful hand to hold  
And help me to regain control  
Real as any rain

All your rain is gonna come down  
Child of your pain  
All you rain is gonna come down  
Real As any rain
