When we're lost and losing hope  
When we're happy on the road  
Smiling big  
Trying to find the words, oh.  
To express that overwhelming joy  
When you're screaming  
At passing scenery

Don't get too caught up in beautiful  
It's just a word  
Recreate these descriptions  
We made up on this verse  
Of pros and heaven knows  
It's just a means  
Of giving faith some meaning

So screaming four words this time

Don't let your sounds get tied down, in words.  
Just let it burst and flow and float away  
On soaring waves  
Of sun eggs imperfections

Don't get too caught up in beautiful  
It's just a word  
Recreate these descriptions  
We made up on this verse  
Of pros and heaven knows  
It's just a means  
Of giving faith some meaning

You don't need these boundaries  
You were born free  
So start living
