Kelly, can you handle this?
Michelle, can you handle this?
Beyonce, can you handle this?
I don't think they can handle this

My boy Rock, can you handle this?
My girl Missy, can you handle this?
DC, can you handle this?
My ghettos you can't handle this

Barely move 'cause we've arrived
Lookin' sexy, lookin fly
We're the baddest chicks, chicks inside
DJ jam tonight

Spotted me a tender thang baby
There you are, come on baby
Don't you wanna boogie with me
So can you handle, handle me

You gotta do much better if you gone dance with me
tonight
You gotta work your jelly if you gone dance with me
tonight
'Cause I don't think they ready for that jelly for them
boys
I don't think they ready for that jelly for them boys
I don't think they ready for that jelly
Beyonce, Michelle and Kelly it's time for takeoff

I don't think you ready for this jelly
I don't think you ready for this jelly
I don't think you ready for this
'Cause my body too bootylicious for you babe

I don't think you ready for this jelly
I don't think you ready for this jelly
I don't think you ready for this
'Cause my body too bootylicious for you babe

I shake my jelly at every chance
When I whip with my hips you slip into a trance

I'm hoping you can handle all this jelly that I have
Now let's cut a rug while we shake our

I'm about to break you off
H-town goin' hard
Lead my hips, slap my thighs
Swing my hair, square my eyes

Lookin' hot, smellin' good
Groovin' like I'm from the hood
Look over my shoulder, I'll blow you a kiss
Can you handle, handle this

You gotta do much better if you gone dance with me
tonight
You gotta work your jelly if you gone dance with me
tonight
Read my lips carefully if you like what you see
Move, groove, prove you can hang with me
By the looks I got you shook up and scared of me
Buckle your seatbelt, it's time for takeoff

I don't think you ready for this jelly
I don't think you ready for this jelly
I don't think you ready for this
'Cause my body too bootylicious for you babe

I don't think you ready for this jelly
I don't think you ready for this jelly
I don't think you ready for this
'Cause my body too bootylicious for you babe

You are not ready, how many times I say y'all not ready
Watch my booty shake like a fat lady's belly
My style so stank I bet a bank you gone smell me
Aw you smell me, smells like money

When I come runnin', woah, Missy keep it comin', woah
Rockweiler drum-drummin'
Destiny got the whole world freakin' somethin' and
We killin' somethin'

Somebody betta warn y'all
Bee, Michelle and Kelly put that jelly on y'all
Rock and Missy be hot like California
Won't you sing the hook, uh, why don't ya, now here we
go

Move your body up and down
Make your booty touch the ground
I can't help but wonder why

Is my vibe too vibelicious for ya babe

I don't think you ready for this jelly
I don't think you ready for this jelly
I don't think you ready for this
'Cause my body too bootylicious for you babe

I don't think you ready for this jelly
I don't think you ready for this jelly
I don't think you ready for this
'Cause my body too bootylicious for you babe

I don't think you ready for this jelly
I don't think you ready for this jelly
I don't think you ready for this
'Cause my body too bootylicious for you babe

I don't think you ready for this jelly
I don't think you ready for this jelly
I don't think you ready for this
'Cause my body too bootylicious for you

I don't think you ready for this jelly
I don't think you ready for this jelly
I don't think you ready for this
'Cause my body too bootylicious for you babe

I don't think you ready for this jelly
