Oh Ohh
Temptation!

Verse 1

Boy Get A Grip
Temptations Callin Out Forgiveness
Ive Been Watchin To Long
Hope Ya Listen To This Song
I Aint Never Felt This Way
In My Life Before
I Can't Believe That I Chosed You First
And I Cant Belive How Temptations Callin My Name
For You To Come And Get My Love
Is Waiting Here Right For Ya

Chorus

Baby Give My All To You
Just As Bad As You Want It
I'll Be Here Waiting For Ya
So Hurry Up And Bring It
Cause Baby I Am Yours
Spotted Me With A Glance Of Ya Eyes
Hypnotized
Cause Temptation Keeps It Alive
Its True Baby Let Me Know
Ill Be There For You
Cause Baby Boy You Know
How I Feel Gots To Keep It Real
Its All Yours
Its All Yours
Temptation

Verse 2

You Called Me On The Phone Thinking I was At Home
Blew Up My Pager Next Thing Im Callin Ya Later
To Hook Up
Relationships Is Trust
If Ya Know What Im Saying

Baby All I Want From Is The Truth Cause You
Cant Seem To Hang
I See You Wit Ya Boys Keeping It Low
Ive Been Waiting For You To Come Near To Me
All I Have To Say Is I Need To The Truth
That Word Temptations Got Me In Love Wit You So

Chorus

Bridge

All You Gotta Do Is Let Me Know
Whether Ya Feeling Me If Not Ill Move On
Cause Baby I Cant Sit Back Lay Around
With A Frown On My Face
Cause No One Can Take Ya Place
For Love I Have Inside It Wont Go Away
Ill Leave You Alone And Ill Be On My Way
Cause I Cant Take It No More
Im Gonna Only Tell Ya Once

Chorus 2x
