Verse:1

Keep ya Questions To Ya Self
Ya Think Im A Fortune Teller With Wealth
Keep Ya Distance Far Away From Me
Baby Boy Ya Know It Aint Easy
To Be a Girl like Me
But Thats So Okay
Ill Try To Find A Better Way To Solve This Game
Take Ya Money Out Its Time To Play
Another Go Round.

{Chorus} All I Wanna Say Is You
Make Me Feel Good
Treat Me like A Queen
Know Whats Right for Me
Do Anything
Like A Ace Take No Other Place
To Play A king Ya Gotta Step Up
Ya Game
Cause Im To Much To Handle
So Dont Play No Games
Throw Ya Duces In
To Catch Me If You Can
Im Faster Then Can ever Be
Stop Tryna Make A Plan
Its You Against Me
Cause Baby Im To Much To Handle

{Hook} No No No No No
To Much To Handle
Please Stop Fallin Over Me
No No No No No
To Much To Handle
Im Not Waistin Time

Verse:2 See I Got A mind Of My Own
Never Played A Queen Ya In Front Of Me
