Verse 1

You couldn't walk in my shoes; if you did well you
would be as confused
Cuz lonely hearts like mine are hard to find... only if you
close your eyes.
So breathless here I stand suffocating on the words
you choke me with.
You toss me down, throw me around, and you leave me
in the dark.
Yeah you really play with my heart.

Chorus

So go on and blame all my mistakes.
I'll be the scapegoat for your sins and your shame
And then one day you'll be on your own.
That's the life for a heart like stone.

Verse 2

Screw you, I'll sing it again, screw you for the selfish
things you did.
I showed you truth and you threw lies back in my face.
Yeah you really wear your crown with grace.

Bridge

Well you blame me for what I did and what I did not do.
Yeah you blame me; well baby I'm throwing it back to
you
