I get you all in two
like i always do
i thank you
but they wanted it all
i overheard them say
who really cares?
its lost in the air
but why you go and paint your sky so grey?
indralaya

some will stay
some will fall
alongside indralaya
fight your way
back to me again
indralaya
where have you gone

along the morning air
i felt your presence near
i thank you

but they came in too quick
they told us how we could live
who really cares?
its lost in the air
but why you go and paint your sky so grey?
indralaya

Chorus

i wont wait for you no more
you've got me here
i wont wait for you no more
under the low, under the low

aren't you alive at all
weren't you alive at all
indralaya

Chorus
