You're so cool
You're so focused
You're so great
I like your glasses
What is it you do again
Who do you know here
Is that a necklace
You're so cool

You're so cool
It makes the rest of us make big mistakes
And you
You're so cool
That we don't know exactly what to do
But I went around the house
And talked to everyone
And we don't like you

You're so smooth
You're so amazing
You're so great
I like you're haircut
What is it you do again
Who do you know here
Is that a Gameboy
Man you're cool

You're so cool
It makes the rest of us make big mistakes
And you
You're so cool
That we don't know exactly what to do
But I went around the house
And talked to everyone
And we don't like you

You're so cool
You're so famous
You're so cool
I like your jacket
What is it you do again

Who do you know here
Is that a nose ring
God you're cool
