Hear that sound that the crowd is making, feels like
the earth is shaking.

Lights flash, just like a lighting storm. Those days go
by so quickly. These
nights feel like eternity. I've had a taste and I'm
wanting more, more, more.

Cause I've been flying so high. And I don't ever want
to come down.

I'm
ready to go oh ah oh. I'm ready to show the whole
world. I'm ready to go and I can't waste one more
minute taking off and I'm leaving with it.
I'm ready to go
and I can't wait one more year time is my only fear.

I don't care what
people are saying, Fired my manager and lost my
agent.
I'm doing me just
like a do.. Writing all day, so ready to release them.
Rocking this thing out
independent. My fans are the only label i cling to and
I love you.

Cause I'm
flying so high. I don't ever, ever want to come down.

I'm ready to go oh ah
oh. I'm ready to show the whole world. I'm ready to go
and I can't waste
one more minute, taking off, and I'm leaving with it.
Go oh ah oh, I'm
ready to show the whole world.. I'm ready to go and I
can't waste one
more year, time is my only fear.

Cause I'm 16 and I feel that i can't be
doing the same thing. The next year, and the year
after. I don't want to be
stuck here. These ups and downs wont bring me down

I'm
going up you
better watch out.

Cause I'm 16 and I feel that I am ready to go oh ah oh,
I'm ready to go aha oh. I'm ready to go. I cant waste
one more minute. I'm
ready to go oh ah oh. I'm ready to go oh ah oh. I'm
ready to go and I cant
wait one more year, time is my only fear, ohh ohh.ı»¿
ohh
oh oh oh oh.
