and all my ? life will you be there, to take my hand,
when i get scared.
you know i would if you say so, so go on girl, and say
so.

[chorus]
cause every moment spent without you, is a moment i
regret.
and every moment spent beside you, is a moment
never to forget.

i never thought i could care, so much.
every time we talk, and every time we touch.
? we get closer, so go on girl, get closer.

[chorus]
cause every moment spent without you, is a moment i
regret.
and every moment spent beside you, is a moment
never to forget.

i wanna spend forever in your arms, all your tricks and
charms.
you got me, love crazy.
i cant live without your smile, not even for a while.

you have me, love crazy. (love crazy, love crazy, love
crazy).
cause i cant breathe, when im alone.
girl, ill take the lead, ill take control.
so, open up and let it go. open up and let it go.

[chorus]
cause every moment spent without you, is a moment i
regret.
and every moment spent beside you, is a moment
never to forget.

i wanna spend forever in your arms, all your tricks and
charms.
you got me, love crazy.
i cant live without your smile, not even for a while.

you got me, love crazy.
cause every moment spent beside you, is a moment
never to forget.
