What happened to the girl i used to know
she was perfect no she was just a show
couldnt anyone let me know

you cant just take it back when you act like that
its just so hard to move on (yeah)

how can you stand there and act like your so sorry
when you know, no apology can fix this
my heart is breakin
oh god i feel so empty
ya girl, i am fading away
the hardest part is, ill still love you through this sorrow
baby just let me go

wonder where your at right now
probably with another right now
tellin him how you love his eyes
i remember when you used to love mine

just in,for the race,we run and you chase,now you've
won
and you're done with me,making it so hard oh to move
on

(yeah) how can you stand there
and act like your so sorry
when you know, no apololgy can fix this
my heart is breakin
oh god i feel so empty
ya girl, i am fading away
the hardest part is ill still love you through this sorrow
baby, just let me go

cause' i can't stop
falling, for you
my heart is breakin, and i just want to talk to you

please stop, holding me

cause' i cant take it, if we cant be

soo how can you stand there and act like your so sorry
when you know, no apology can fix this
my heart is breaking
oh god i feel so empty
ya girl, i am fading away
how can you stand there and act like your so sorry
when you know, no apology can fix this
my heart is breakin
oh god feel so empty
ya girl, i am fading away
the hardest part is, ill still love you through this sorrow
baby, just let me go

just let me go

just let me go
