I made a mistake yes I know
It's over now so let it go
Could this possibly be the end to our story

I made a plea through a note
God knows it's not a joke
I wish I could take it back
I wish I could take you back

Is this a stop or go
Red light, I don't know
Do you just wanna be alone
I don't know, I don't know

Girl I'm begging you
Please don't go
Don't go
Away from me
Away from me
Please don't go
Don't go
Away from me

Don't, I can feel it all around me, so alone
Calling you up, to try to find a way home
Cause homes where the heart is
And I've been locked out for weeks
I gotta find the words to say to you
To make you listen, to make you listen
To the things I have to say
What do I have to say
Is this a stop or go
Red light, I don't know
Do you just wanna be alone
I don't know, I don't know

Girl I'm begging you
Please don't go
Don't go
Away from me
Away from me
Please don't go

Don't go
Away from me

Don't give up on love
Don't let go of love
I just want you to love me back
I just want you to love me back

I'm on my knees, begging please
Don't go, please don't go
Don't go (don't go)
Don't go (don't go)
Away from me
Away from me
Please don't go, don't go
Away from me, Away from me

Please don't go
Don't Go
Away from me, Away from me
