Everything can change tonight  
We could pack up and leave this whole town behind  
There is no turning back, tonight is all we have yeah  
These days go by so quickly  
Feels like I'm losing my mind  
And we are running out of time  
Ohh These days never felt so lonely  
I've tried but no one knows me  
They all just think I'm crazy, girl, girl

Tell me why we can't go now  
Boy, why can't we just break out.

Chorus

Well everything can change tonight  
We could pack up and leave this whole town behind  
You are the key to my only way out  
There's nothing more I care about  
And nothing's gonna change my mind, yeah.  
I feel this way as long as I'm alive  
There is no turning back  
Tonight is all we have so lets make this last

Don't bother saying goodbye  
They don't need to know why  
Cause we are running out of time, we're running out of  
time  
I need you and no one else.  
Boy I don't want you to go  
I want you all to myself.

Chorus:

Well everything can change tonight  
We could pack up and leave this whole town behind  
You are the key to my only way out  
There's nothing more I care about  
And nothing's gonna change my mind, oh.  
I'll feel this way as long as I'm alive  
There is no turning back  
Tonight is all we have so lets make this last

You oughta know that I will trade everything just to be  
by your side  
You, you should know that I will lose  
Anything just to be with you tonight  
Ooh, yeah

[Chorus]

Oh Oh Oh Oh Oh tonight with you  
Oh Oh Oh tonight with you..
