Barbra:

Once I found a perfect love
And you showed me everything there was
To know of love
Time will not betray the truth
and for all the years we've shared
I celebrate with you
For you

You are all I know of love
How could I ask for more?
You're everything I'm dreaming of
You're all I need from love.

Spells out your name.
I swear I'll always feel the same
You're all I want
