Sometimes, I think that I can make it
But most days, well, I get by on faking
Cause I won't let them see me cry
So I hold my tears inside

Late at night, your name is calling
And usually what gets you there comes running
But there's no way you can now
I wish there was a way, somehow

So I will remember you
And I will hold you close there in my heart and never let
you go
And there'll be days when I will cry
But no I won't
No I can't, say goodbye

Lord tell me how is this fair
When in his eyes I see your memory there
Oh and the promises that we made
Get erased with yesterday

So I will remember you
And I will hold you close there in my heart and never let
you go
And there'll be days when I will cry
But no I won't
Oh no I can't, say goodbye

So I will remember you
And I will hold you close there in my heart and never let
you go...
And there'll be days when I will cry
But no I won't
Oh no I can't
No I won't
No I can't... say goodbye.
