Dedicated to the one who guilty or innocent  
Lost in this sea  
Yielded to the stream  
Who didn't ever be a winner

Dedicated to the one always keeping a hope  
In front of a sorrow  
In the cold of a room

Dedicated to the one searching his own freedom

I sing to life  
To all it's beauty  
To every wound of it  
To every caresse of it

I sing to life  
To it's tragic beauty  
To pain and to strife  
Let all that dance through me  
The rise and the fall  
I lived through it all

Dedicated to the one who always made it dry  
Like possessed, slipped through fingers  
It was always already over

I sing to life  
Reflected into your eyes  
Easy and endless  
Promised land for us

I sing to life  
Sweet and even fierce  
To this journey of ours  
Which still puts us in chains

It calls us...

Don't ever doubt ( x 2 )  
Don't ever leave it alone

Alone  
... still ...

I sing to life  
Sweet and even fierce  
To this journey of ours  
Which still puts us in chains

It calls us...
