You say you have to go.
But I don't want you to leave.
You say this don't feel right between you and me.
Try to help me understand
What you need from this man?

Give me moment,
Give me a chance,
Give up yourself to the touch of my hand,
And you'll see, this is where you belong.
Come a little bit closer,
We don't have to be alone.
If you don't try, well then you'll never know.
Baby, please before we say goodbye...
Give us tonight.

Tell me what it takes,
To fade your doubts away.
One step at a time until you are mine.
Baby, please close your eyes.
Leave the world falling outside.

Give me a chance,
Give up your self to the touch of my hand,
And you'll see, this is where you belong.
Come a little bit closer,
We don't have to be alone.
If you don't try, well then you'll never know.
Baby, please before we say goodbye...
Give us tonight.
Give us tonight.

We'll just take it slow.
Until you feel yourself letting go.

Give me a moment,
Give me a chance,
Give up your self to the touch of my hand,
And you'll see this is where you belong.
Come a little bit closer,
We don't have to be alone.

If you don't try, well then you'll never know.
Baby, please before we say goodbye
Baby, please before we say goodbye...

Give us tonight.
