Sometimes I feel like I need to shake myself, to wake myself

I feel like I'm just sleep walkin' through my life  
It's like I'm swimmin' in an ocean of emotion  
But still some how slowly goin' numb inside

I don't like who I'm becomin'  
I know I've gotta do somethin'  
Before my life passes right by

I wanna cry like the rain, cry like the rain  
To shine like the sun on a beautiful mornin'  
Sing to the Heavens like a church bell ringin'  
Fight with the Devil and go down swingin'

Fly like a bird roll like a stone  
Love like I ain't afraid to be alone  
Take everything that this world has to give  
I wanna live

Sometimes I wonder why I work so hard, to guard my heart  
Well I hardly feel anything at all  
I've spent my whole life building up this ivory tower  
Now that I'm in it I keep wishin' it would fall

So I could feel the ground beneath me  
Really taste this air I'm breathin'  
And know that I'm alive

I wanna cry like the rain, cry like the rain  
To shine like the sun on a beautiful mornin'  
Sing to the Heavens like a church bell ringin'  
Fight with the Devil and go down swingin'

Fly like a bird roll like a stone  
Love like I ain't afraid to be alone  
Take everything that this world has to give  
I wanna live, I wanna live

Something deep inside keeps saying  
Life is like a vapor

Its gone in just a twinklin' of an eye

I wanna cry like the rain, cry like the rain  
To shine like the sun on a beautiful mornin'  
Sing to the Heavens like a church bell ringin'  
Fight with the Devil and go down swingin'

Fly like a bird roll like a stone  
Love like I ain't afraid to be alone  
Take everything that this world has to give  
I wanna take any breath I can get, I wanna live  
Yeah yeah
