There ain't no Rhyme or reason  
With you  
You never know  
What your gonna get

But that makes you more Intriguing  
Each and every moment that we spend  
It don't matter when

Thats just like you  
To confuse me but  
You should know that  
You'll never lose me baby

Chorus

Hold on tight  
Just hang onto me  
Enjoy the ride  
That our life will bring  
Look in my eyes  
You'll see forever  
I know somehow  
We'll make it together  
Girl I don't care  
What you put me through  
I'll still love you  
You never show affection  
But when you do  
It's all at once  
And Then its gone

I'm stunned  
Left breathless  
In a daze  
So amazed  
But I stay strong

I'm still learning  
Your still trying  
I'm still fighting  
Your still denying baby

Repeat Chorus

I'm still learning  
Your still trying  
I'm Still fighting  
Your Still denying

Repeat Chorus
