Baby, just block them out
We're the only two here now
Let's show them what love's about, yeah
Tell me that you're shy
Let's wait until tonight
That this just don't feel right, yeah
Well I can't hold back
Just give it to me baby
'Cause right now what I feel is a beautiful thing

Tell me you want me
'Cause I know, I don't want anybody else
Don't hold back, just relax
Take it slow
Starting now, we've got a long way to go

Tell me what you need
I don't care if they see
Let them watch if they want, yeah
Show me what to do
I know you feel it too
Don't wait till the moment's gone, yeah
You've got my attention
You know my intentions
I'm tired of hiding this feeling inside

Tell me you want me
'Cause I know, I don't want anybody else
Don't hold back, just relax
Take it slow
Starting now, we've got a long way to go
We've got a long way to go

Tell me you want me
'Cause I know, I don't want anybody else
Don't hold back, just relax
Take it slow
Starting now, we've got a long way to go
We've got a long way to go
Don't be shy
Don't be shy

Let them watch baby
Let them watch
Let them watch
Let them watch if they want
