It was noon time, down time, break time
Summertime, Miller time, anytime, she was looking
pretty fine
A red light, green light, go all fired upside downtown
She was shaking me all around

I was tuned in, going nowhere, second wind
Jonesing, drooling, feeling good, if you would

Oh yeah, by the way she moves
She's got me rolling in dirt in a white t-shirt
Breaker Breaker 1-9, she's a big ol' flirt

By now she's got me pretty tied up
Tied down, any way I choose
I've got nothin' to lose

In like Flynn, I was looking for the win
Just trying anything, hey baby, where you been
All my life I've been looking for someone like you
Falling head over heels, hey, what can I do?

Oh yeah, by the way she moves
She's got me rolling in dirt in a white t-shirt
Breaker Breaker 1-9, she's a big ol' flirt

By now she's got me pretty tied up
Tied down, any way I choose
I've got nothin' to lose

Now I'm in the fast lane going 98
By now I know she can smooth operate me
I know now she's no goody two shoes
But hey, I've got myself nothin' to lose

Oh yeah, by the way she moves
She's got me rolling in dirt in a white t-shirt
Breaker Breaker 1-9, she's a big ol' flirt

By now she's got me pretty tied up
Tied down, any way I choose
I've got nothin' to lose

Oh yeah, by the way she moves
She's got me rolling in dirt in a white t-shirt
Breaker Breaker 1-9, she's a big ol' flirt

By now she's got me pretty tied up
Tied down, any way I choose
I've got nothin' to lose

Noon time, down time, break time
Summertime, Miller time, any time
She was looking pretty fine

In like Flynn, I was looking for the win
Just trying anything, hey baby, where you been
All my life I was looking for someone like you
Falling head over heels, hey, what can I do?

I got nothin' to lose, yeah
