We headed out to California
Everybody tried to warn us
Said we wouldn't make it any further
Than that worn out Chevy would

We broke down a time or two
Thought maybe we didn't think it through
We were all we had to turn to
When it wasn't lookin' good

Lookin' back laughin'
'Cause they called us crazy

We were young, we were wild, we were restless
Had to go, had to fly, had to get away
Took a chance on that feelin', baby

We were lovin' blind, borderline reckless
We were livin' for the minute we were spinnin' in
Maybe we were a lot of things
But we weren't crazy

Just a couple kids a couple years ago
Now we gotta couple kids of our own
We turned out right and proved them wrong
Look at us goin' strong

Lookin' back laughin'
'Cause they called us crazy

We were young, we were wild, we were restless
Had to go, had to fly, had to get away
Took a chance on that feelin', baby

We were lovin' blind, borderline reckless
We were livin' for the minute we were spinnin' in
Maybe we were a lot of things
But we weren't crazy

We could've set it down
When things got tough
We could've walked away from this love

But that'd been crazy

We were young, we were wild, we were restless
Had to go, had to fly, had to get away
Took a chance on that feelin'

We were lovin' blind, borderline reckless
We were livin' for the minute we were spinnin' in
Maybe we were a lot of things
Oh maybe we were a lot of things
But we weren't crazy
We weren't crazy
We weren't crazy
