Wake up, wake up, the sun cannot wait for long.
Reach out, reach out before it fades away.
You will find the warmth when you surrender.
Smile into the fear and let it play.

Chorus:

You wanna run away, run away and you say that it can't be so.
You wanna look away, look away but you stay cause' it's all so close.
When you stand up and hold out your hand.
In the face of what I don't understand.
My reason to be brave.

Hold on, hold on, so strong, time just carries on.
And all that you thought was wrong is pure again.
You can't hide forever from the thunder.
Look into the storm and feel the rain.

Chorus:

You wanna run away, run away and you say that it can't be so.
You wanna look away, look away but you stay cause' it's all so close.
When you stand uá¹— and hold out your hand.
In the face of what I don't understand.
My reason to be brave.

O-oh-oh-oh-oh
O-oh-oh-oh-oh
O-oh-oh-oh-oh

Go on, go on!€!

Chorus:

You wanna run away, run away and you say that it can't be so.
You wanna look away, look away but you stay cause' it's all so close.
When you stand up and hold out your hand.
In the face of what I don't understand.
My reason to be brave.
