if it were love i would that love every second i had and i
do
do i know where he'll lead me to?
did i plan doing all of this for the love of a man?
well i let it happen any how
and what i'm feeling now
has no easy explanation the reason plays no part
heaven help my heart
i love him to much
what if he saw my whole existence turning around a
word, a smile, a touch
one of these days, and it won't be long he'll know about
me then he should
all my dreams will be understood

no surprise nothing more to learn from the look in my
eyes
don't you know that time is not my friend, I'll fight it 'til
the end hoping to leave the best of moments when the
passion starts, heaven help my heart
the day that i find
suddenly I've run out of secrets, suddenly i'm not
always on his mind
maybe it's best to love a stranger
well, that's what I've done
heaven help my heart
