Lately, I've been the quiet one,
Waiting, searching the lines of the
Songs you played for me.
Sailing into the misty air,
Fading, bound for I don't know where,
When I'm there, I'll see.

And if I walk away,
Please follow me,
If I walk away,
Please follow me.

Weightless, drifting through stars I got
Faithless, woke in the dark and I
Made this from my dream.
Play me all your sweet rhymes
Recreate me, now comes the time when I'll
Need your truth to see.

And if I walk away,
Please follow me,
If I walk away,
Please follow me.
Walk away,
Let the fear fall away,
Into the fire you made,
Scarlet and gold.
Walk away,
Head for the light of day,
Follow a brighter way,
Out of the cold and dark,
Down to the one bright spark
Futures that all might start
Someday.

So, if I walk away,
Please follow me,
If I walk away,
Please follow me.

Fragments, shells of a long ago lifetime,
Faces that once were mine,

Thrown down by the sea.

If I walk away,
Please follow me,
If I walk away,
Would you please follow me.
