Act II The Interview

Walter: We all want times in our careers, when we  
make a little history ã? receive the plaudits of our  
peers, perhaps that time is now right here for me ã?  
Ahh, Anatoly if I may, let me say right away youã?!!  
be thrilled. Because the other seat is filled, by a  
longstanding friend, of  
yoursã?Â!ã?Â!ã?Â!..ACTION!!

Freddie Anatoly

[Vs. 1]

Well here we are face to face once again  
By any standards a bizarre reunion  
Is being homeless affecting your game?  
I wouldnã?t know as Iã?ve a home in England  
And by your ã?homeã? I mean real home the  
place where your family is  
England is my real home-  
What are your latest political aims?  
What are you saying?  
Your anti-Russian crusade hasnã?t worked ã?  
Iã?m no crusader  
What is you true motivation, thatã?s something we  
all want to know  
You damned well what my motivation is  
[chorus]

Here we see a man, under great pressure, two fights to  
fight yet he could not look fresher  
Chess and politics, I take my hat off, to any champion  
who can pull that off.

[vs. 2]

I hear your second controls everything  
Chess is her passion  
Her obsession is east versus west  
Chess is her passion!  
I know a little about her, and sheã?s got her own axe  
to grind  
Thatã?s not true  
Just a shame your little wifeã?s not here  
I donã?t discuss my private life in public  
With all your talent, sheã?s not by your side  
I think Iã?ve had enough of this discussion

Well we've a little surprise we've got your wife  
on the video

(Walter) Roll the video!

[chorus]

Let her come to you, give you her version of how  
married life has changed since your desertion

Wait, come back my friend, we're only showing,  
our move is nothing more. Where are you going?
