It came upon the midnight clear
That glorious song of old
From angels bending near the earth
To touch their harps of gold

Still through the cloven skies they come
With peaceful wings unfurled
And still their heavenly music floats
O'er all the weary world

Peace on the earth, goodwill to men
From heavens all gracious King
The world in solemn stillness lay
To hear the angels sing

Hear the angels sing

Peace on the earth, goodwill to men
From heavens all gracious King
The world in solemn stillness lay
To hear the angels sing

Heavenly angels sing, sing
Hear the angels sing
Heavenly angels sing, sing, sing
Hear the angels

Heavenly angels sing, sing
(Hear the angels sing)
Heavenly angels sing, sing
Hear the angels sing
(Heavenly angels)
Heavenly angels sing, sing

On a midnight clear
Heavenly angels sing, sing
(Heavenly angels)
Heavenly angels sing, sing
Heavenly angels sing, sing
(Heavenly angels)
