Remember  
I will still be here  
As long as you hold me  
In your own memory

Remember  
When your dreams have ended  
Time can be transcended  
Just remember me

I am the one star  
That keeps burning so brightly  
It is the last light  
To fade into the rising sun

I'm with you  
Whenever you tell  
My story  
For I am all I've done

Remember, I will still be here  
As long as you hold me  
In your own memory  
Remember me  
I am that warm voice  
In the cold wind that whispers  
And if you listen  
You'll hear me call across the sky

As long as  
I still can reach out  
And touch you  
That I will never die

Remember  
I'll never leave you  
If you will only  
Remember me

Remember  
I will still be here  
As long as you hold me

In your own memory

Remember  
When your dreams have ended  
Time can be transcended  
I live forever

Remember me  
Remember me  
Remember me
