Wash away the thoughts inside
That keep my mind away from you
No more love and no more pride
And thoughts are all I have to do

Ooo ooh, remember when it rained
I felt the ground and looked up high and called your name
Ooo ooh, remember when it rained
In the darkness I remain

Tears of hope run down my skin
Tears for you that will not dry
They magnify the one within
And let the outside slowly die

Ooo ooh, remember when it rained
I felt the ground and looked up high and called your name
Ooo ooh, remember when it rained
In the water I remain

Running down
Running down
Running down
Running down
Running down
Running down
Running down

Ahh ahh ahh na na
Na na na
Ohh ohh ahh na na
Running down
