Remember, I will still be here
As long as you hold me, in your memory

Remember, when your dreams have ended
Time can be transcended
Just remember me

I am the one star that keeps burning, so brightly,
It is the last light, to fade into the rising sun

I'm with you
Whenever you tell, my story
For I am all I've done

Remember, I will still be here
As long as you hold me, in your memory
Remember me

I am that warm voice in the cold wind, that whispers
And if you listen, you'll hear me call across the sky

As long as I still can reach out, and touch you
Then I will never die

Remember, I'll never leave you
If you will only
Remember me

Remember me...

Remember, I will still be here
As long as you hold me
In your memory

Remember, when your dreams have ended
Time can be transcended
I live forever
Remember me

Remember me
Remember... me...
