Walter (spoken)

So in the end our hero won brilliantly
Surprised us all played as well as he's ever done

Florence (spoken)

No surprise

Walter (spoken)

Well this is, he's just announced he's going back to
the Soviet Union
He seems unable to win without the added thrill of
changing sides.
Don't you have a single word to say?

Florence

(Spoken) No – No

(Sung) You wouldn't listen anyhow and what I'm
feeling now
Has no easy explanation,
Hasn't this been a great achievement?
Losing your man and nothing in return

Walter (Spoken)

Well not my man, he's your man
Anyway, Anatoly's return to the Soviet Union is a very
decent gesture
It's virtually assured us some very important
collateral including your father
He must have done it for you, he wouldn't have done
it for me
We'll get your father out if he's still alive.
