It's 3am and you and I
Fight for covers, like lovers do
And once again, you make that smile that you make
When I let you in
So perfect girl, I may just wanna change your name

Warm and cold
Scared and bold
You're the puzzle that I try to fit
You're fire by night
And when the morning light comes
Comfortable as rain on Sunday
Storm that keeps me lying awake

[Chorus:]
You're more than amazing
Chances worth taking
Love we're creating
It's Christmas time
Snow keeps on falling
And baby, I'm all in
I think I'll call this the perfect night
Oh, ohhh, ooooh

It's 3am and you and I fight for covers
Like lovers do
