I'm running a fever baby
That's burning down deep in my soul
It stings like a needle lately that you've stuck in places
you don't know
Ohh
I should mention my intentions are for you and I
To come together do whatever but don't be suprised

I don't pretend to be pretty
Sometimes I tend to talk dirty
I can be country or sitdown
Welcome to my world
Mhmmm
And if you wanna play you say baby
My life will drive you crazy
You know I want to call you my lady
But that's who I am
Take it or leave it
Say take it or leave it
Yeahhhhh

I'm not trying to scare you away
Noooo
But I'm placing all my cards in your hands
I'm trying to play them right so you can be well where
we stand baby
Your incentives got me questioning my motives now
Before you get too deep you need to know what I'm
about

I don't pretend to be pretty
Sometimes I tend to talk dirty
I can be country or sitdown
Welcome to my world
Mhmmm

And if you wanna play you say baby
My life will drive you crazy
You know I want to call you my lady
But that's who I am
Take it or leave it
Say take it or leave it

Owwwwww

Well I keep no secrets, keep it straight whether it's bad
or good

And there's never gonna be a time when I'm
misunderstood

I'll make you feel like you can't fly and then I'll get you
good

Be strong and make it, Lord

Take it or leave it

Say take it or leave it

Ohhh no no!

I don't pretend to be pretty

Sometimes I tend to talk dirty

I can be country or sitdown

Welcome to my world

Mhmmm

And if you wanna play you say baby

My life will drive you crazy

You know I want to call you my lady

But that's who I am

Take it or leave it

That's who I am

I say take it or leave it

Baby that's who I am

I say take it or leave it

Take it or leave it

Take it or leave it babyyyy

Yeahhhh

Whoooo hooooo
