I haven't learned my lesson
I keep my eyes wide open
This shampoo stings like hell

I turn the faucet further
This water is my armor
I'm safe inside myself

(Chorus)
I'm not the same today or any other day
I feel you and you're far away
You're far away

Morning breaking like glass
It's landed at my doorsteps
Deadlines to meet

If this cement were wet
I'd write your name in it
There's permanence in these streets

(Chorus)
