You say you know me now
Well IÃfÃ...Ã Ã,Ã! not sure we figure out
Who we ever are, who we ever are
Listen to yourself and sing another song
Sing another song
And donÃfÃ...Ã Ã,Ã° let them make you feel you are
not strong
YouÃfÃ...Ã Ã,Ã®e just on fire
Your say you are not sure
How to live life anymore
But no one ever is, no one ever is
Listen to yourself and sing another song
Sing another song
And donÃfÃ...Ã Ã,Ã° let them make you feel you
donÃfÃ...Ã Ã,Ã° belong
YouÃfÃ...Ã Ã,Ã®e just on fire

BRIDGE: Another stage of empty rage
And no one, no one is listening
No one cares

And no one is listening
No one dares
YouÃfÃ...Ã Ã,Ã®e just on fire

You say you love me
But IÃfÃ...Ã Ã,Ã! not sure you truly see
Who I really am, who I really am
Listen to yourself and sing another song
Sing another song
And donÃfÃ...Ã Ã,Ã° let me make you feel like you
were wrong
YouÃfÃ...Ã Ã,Ã®e just on fire
IÃfÃ...Ã Ã,Ã! just on fire
